Operational/UPSWING/BEDOX

Hildegard *LACHERT (born 19 March 1920, Berlin)

REF: PULL 7785

1. Subject has contacted CIC's Heidelberg Field Office on three occasions. Because she is not of operational interest to CIC, formal reports of her contacts were not prepared, however, the details of the contacts were substantially as follows:

a. Subject, whose present address is the Hotel Pension, Schoenblick, Horrenberg/Dielbach, Kreis Heidelberg, and a friend, Werner *WOLF, born 27 June 1911, walked in to CIC's office in Heidelberg, on about 3 June 1957. Subject alleged she was contacted by CIC and another unnamed American Intelligence agency in Berlin, and by (Fnu) FRYE from CIC in Ulm while Subject was being processed through refugee camps during May.

b. On 24 September 1957, Subject again approached CIC's office in Heidelberg, and requested CIC assistance in retrieving her personal identification papers from UPSWING. She stated that UPSWING had taken her original temporary papers and provided her with a photostatic copy and that she now needs the original papers in order to obtain permanent identification papers from West German Federal Government. She further stated that her 16 year old daughter had sent a registered letter to a (Fnu) KAPLE in Berlin requesting return of her identification papers but that the letter had returned because the address, a Post Office Box, had been vacated. Subject states that KAPLE is an UPSWING representative although the daughter believes he is only a friend with influence in the Berlin Passport Office. Subject contacted the Heidelberg office because she had been instructed not to contact UPSWING.

c. On 8 October 1957, Subject phoned CIC's Heidelberg office and asked for information on the status of her request for her original personal identification papers. Per previous instructions, she was told to wait until contacted by people from her organization.

2. GLS has advised CIC to refuse further contact with her.
